
Nominal data defined according to standard

Phase	1~
Nominal voltage	230 V
Frequency	50/60 Hz
Rated power input	120/150 W
Rated current	0,55/0,67 A
Rated speed	1350/1510 RPM
Min. ambient temperature	-30 °C
Max. ambiente temperature	70/70 °C
Sound power level A weighted	70/74 dB (A)
Condensator	4 µF
Connection	terminal box
Insulation class	155
Protection class	IP54

ErP data according to EU regulation 327/2011:

Is not subject to the EU regulation 327/2011.

Power input lower than 125W.
